# ARTIMAS 26-27 SPONSORSHIP PROSPECTUS BROCHURE

## Sponsorship & Partnership Opportunities

**We invite organisations to associate with ARTIMAS ’26–’27 through sponsorship, industry partnerships and long-term collaborations. The partnership can be customised based on the organisation’s objectives, preferred level of visibility and desired engagement with our students.**

### 1. 👑 Title Sponsor — ₹1,00,000+

- **Exclusive Title Sponsor recognition across ARTIMAS ’26–’27.**
- **Premium branding across the website, banners, posters, stage backdrops, digital media and campus promotions.**
- **Dedicated sponsor-focused digital marketing campaign.**
- **Dedicated sponsor presence / landing page on the ARTIMAS website, wherever applicable.**
- **Premier industry integration across our flagship events — HackMatrix, Cyberthon and Brand-A-Thon.**
- **Opportunities for company-led challenges, technical problem statements, workshops, judging and mentorship.**
- **Direct engagement with participants and student talent.**
- **Priority opportunities for internships, hiring, industry projects and long-term MOU collaboration.**
- **Scope for Chief Guest / Guest Speaker / Industry Expert association, subject to mutual discussion**

## 2. ⚡Powered By Partner — ₹75,000–₹1,00,000

- **“ARTIMAS ’26–’27 Powered By [Organisation]” association.**
- **Prominent branding across the fest, website, banners, posters and digital campaigns.**
- **Dedicated social media and digital promotional presence.**
- **Strategic association with HackMatrix, Cyberthon and Brand-A-Thon.**
- **Opportunities for company-led challenges, workshops, mentorship and judging.**
- **Direct interaction with participants and student developers.**
- **Scope for internships, hiring, student projects and industry collaboration.**
- **Potential pathway towards a long-term MOU with the department.**

---

## 3. 💎 Diamond Partner — ₹50,000–₹75,000

- **Official Diamond Partner recognition across ARTIMAS.**
- **Prominent branding across the website, venue, banners and major promotional campaigns.**
- **Dedicated social media promotion and sponsor-focused digital content.**
- **Strong association with HackMatrix, Cyberthon and Brand-A-Thon.**
- **Opportunities for technical sessions, mentoring, judging and participant engagement.**
- **Opportunities for internships, student projects and future industry collaboration.**
- **Scope for long-term association based on mutual requirements.**

---

## 4. 💻Technology Partner — ₹25,000–₹50,000+

- **Official Technology Partner association with the flagship technical events.**
- **Opportunity to integrate the organisation’s technology, tools, platforms or APIs into relevant events.**
- **Company-led technical challenges and problem statements.**
- **Technical workshops, mentorship and expert sessions.**
- **Direct engagement with participating developers and innovators.**
- **Opportunities for student projects, internships and technology-focused talent engagement.**

---

## 5. 💠 Platinum Partner — ₹35,000–₹50,000

- **Official Platinum Partner recognition.**
- **Logo placement on the ARTIMAS website, selected posters, banners and event creatives.**
- **Dedicated social media promotion through posts/stories and promotional campaigns.**
- **Stall / display opportunity at the event, subject to space availability.**
- **Event-stage acknowledgement.**
- **Scope for product / service demonstrations and participant engagement.**

---

## 6. 🥇 Gold Partner — ₹20,000–₹35,000

- **Official Gold Partner recognition.**
- **Logo placement across selected digital creatives, website and venue branding.**
- **Social media visibility through partner mentions and promotional content.**
- **Event-stage acknowledgement.**
- **Opportunities for product / service promotion and participant engagement.**

---

## 7. 🍽️ Food Partner — ₹10,000–₹20,000

- **Official Food Partner recognition.**
- **Logo placement on the ARTIMAS website.**
- **Logo placement on promotional banners, posters and selected event creatives.**
- **Social media recognition and promotional mentions.**
- **Event-stage acknowledgement.**
- **Scope for food / hospitality-related promotional activations.**

---

## 8. 🤝 Associate Partner — ₹10,000–₹20,000

- **Official Associate Partner recognition.**
- **Logo placement on the ARTIMAS website.**
- **Logo placement across selected promotional banners, posters and digital creatives.**
- **Social media mentions and promotional visibility.**
- **Event-stage acknowledgement.**
- **Opportunity to distribute promotional material, subject to mutual discussion.**

---

## 🤝 BEYOND SPONSORSHIP — LONG-TERM INDUSTRY COLLABORATION

**Our objective is to build partnerships that extend well beyond ARTIMAS ’26–’27. We are actively looking to establish sustained industry–student collaborations in the following areas:**

### 1. 💼 Internships & Hiring

- **Internship opportunities for students across relevant technical and business domains.**
- **Project-based internships and industry exposure.**
- **Talent identification and recruitment interactions.**
- **Direct access to our student talent pool.**

---

### 2. 💻 Student Projects & Industry Problem Statements

- **Real-world problem statements for students to solve.**
- **Industry-sponsored projects and solution development.**
- **Opportunities for students to build websites, dashboards, software platforms, automation solutions and customised digital products.**
- **Organisation-specific technology challenges and hackathons.**

---

### 3. 🎓 Technical Mentorship & Industry Engagement

- **Expert talks and technical sessions.**
- **Workshops and hands-on training.**
- **Industry mentorship programmes.**
- **Company-led hackathon challenges.**
- **Judging and evaluation of student projects.**
- **Interaction with students throughout the academic year.**

---

### 4. 🌐 Digital & Software Collaboration

**Our student teams can also explore development and digital support requirements such as:**

- **Websites and landing pages**
- **Dashboards**
- **Internal digital tools**
- **Event / engagement platforms**
- **Custom software solutions**

- **Digital campaigns and promotional creatives**
- **Social media and digital marketing initiatives**

**Specific requirements can be discussed and developed according to the organisation's objectives.**

---

## 📜 MOU & Institutional Collaboration

**We are keen to establish formal long-term MOUs with organisations covering areas such as:**

- **Internships & hiring**
- **Industry projects**
- **Technical workshops**
- **Mentorship**
- **Hackathons & innovation challenges**
- **Research & development**
- **Student training programmes**
- **Industry visits / engagement**
- **Digital & software development**
- **Year-round student–industry initiatives**

**The exact scope of the MOU can be mutually discussed and structured according to the organisation's requirements.**

---

## 🌟 CUSTOM COLLABORATION

**The above packages are indicative and subject to the amount sponsored and further discussions.**
**We are open to designing customised sponsorship and collaboration models based on an organisation's objectives, including:**

- **Custom branding requirements**
- **Dedicated event association**
- **Flagship hackathon partnership**
- **Campus promotional campaigns**
- **Product / service activation**
- **Student engagement activities**
- **Workshops and mentorship**
- **Internship and hiring drives**
- **Industry projects**
- **Website / software development**

- **Long-term MOU and institutional collaboration**

**Our aim is not simply to secure sponsorship, but to build a long-term partnership that creates value for the organisation, our students and the wider technology ecosystem.**

**Build Talent. Drive Innovation. Create Impact.**
